A. Warrant # 8

- 1) Lincoln County Commissioners Robert Faunce and Sheridan Bond were present to give a Lincoln County Sea Level Rise and Coastal Hazard Study presentation.
- 2) Selectmen asked Clerk Warner to e-mail the town about any existing historical highwater marks.
- 3) Lincoln County Commissioner Sheridan Bond reported to Selectmen and Fire Chief Mike Trask that the Maine DOT had a program for diesel fuel that was 25 to 30 cents cheaper than available through gas stations and that qualifying organizations could get a card and after hours access for authorized users if they enrolled in the program. Mr. Bond said that the more people in the program, the more savings on diesel. He said he would email Clerk Warner the info. The contact person for MDOT is Bill Allen
- 4) Townsperson and former Selectman Chris Cooper brought a dumping situation along Rabbit Path Road to the Selectmen's attention. Someone had pulled 15 tires from the roadside embankment. Cooper said that he had pulled several tvs from the area last October and the trash had only multiplied since then. Selectmen discussed enacting a dumping ordinance and had some concerns about whether the dumping was on private land versus public and what they could legally do to enforce. Clerk Warner said she would send an email out to the clerk listserve and see what other town's had for existing dumping ordinances.
- 5) Selectman Villeneuve asked Treasurer Honora to ask Town Accountant Brewer about the difference between issuing the firefighters a 199 or a w-2.
- 6) Selectmen briefly discussed the Town office sign ideas and Clerk Warner said she would ask Planning Board chair Douglas Baston if the town's sign restrictions applied to the town itself.
- 7) Clerk Warner presented the Selectmen with some info on accepting credit cards, she said she would gather some more information and get back to them.
- 8) Selectmen discussed several issues briefly including tree growth tax law, asking new Road Commissioner Jeff Verney to come in and give a road report and deciding to meet every other week.

Adjourn: 8:15pm
